Although this is not a reality today, it is the big dream for the future. The new school will cost approximately \$750,000, and is hoped to be finished by the fall of September 1964. The new school is designed for 400 pupils and the gymnasium will have the capacity of approximately 1200. There will be a language laboratory which will hold a class of about 24. The music room will have a place for storing instruments, storing uniforms, 2 practice rooms and a Directors office. There will be a Student Activity Room, where various groups can get together.

These are just a few highlights of the new school.

A high school is not only made of books and a building but also of the people who use them. The varied groups of people make the high school as changeable as an individual.

We, the staff of the SHIELD, present to you the story of the people who made Otsego High School in 1962 - 1963.

Dedication

The Journalism Class of 1963, on behalf of the entire student body, dedicates this yearbook to Mrs. Gladys Tyler, our school secretary. Mrs. Tyler has been with us since the school's consolidation, so our association is of long standing. She is never too busy to help anyone in need, and she never makes people feel that they are imposing on her. We truly appreciate her efforts, and we wish to take this opportunity to say, "Thank you, Mrs. Tyler!"

I'm not going to be last in the cafeteria line!

Commencement of 1963

On May 23 at Bowling Green State University, fifty-two seniors received graduation diplomas from Mr. Lawrence Cole, President of the Otsego School Board. Dr. Robin A. Office Staff

The Office Staff consisted of five members during the 1962-63 school year. The members of this staff helped out in many ways both for Mr. Cummings and for teachers in the building. Among their daily morning duties was collecting the absences and making up the daily morning and afternoon absentee lists. They also did typing for teachers of tests, study sheets and other articles. Besides these things they were kept quite busy running errands for anyone who needed something done. This is one group we are sure the school, and office couldn't do without.

During the 1962-63 school year, the eight members of the library staff had various duties. Future Teachers of America

The Otsego Chapter of the Future Teachers of America is a group that was organized to learn more about the teaching profession. This year the F.T.A. Group conducted the morning announcements among their many other activities. The group visited many schools outside of our locality, these included Spencerville, near Lima, and Mason Consolidated in Michigan. The group also had foreign exchange students from other countries tell of their experiences.

The 1962-63 school year officers for the F.T.A. are as follows: President-Susan Pugh, Vice. President-Claudia Lance, Secretary-Karen Williams, Treasurer-Marvin Rider, and Historian-Marian Graham.

For classroom experience in teaching the F.T.A. members conducted or sat in on classes in the grade schools of our district. This gave the students real experience in the teaching profession.

Honor Society

Being a member of the National Honor Society is one of the highest honors that can be bestowed on a person. To be eligible, a student must maintain a 3.0 average throughout his high school years. The candidates are elected to the organization on three other qualities in addition to scholarship. These three attributes are: character, leadership, and service.

The Otsego High School Chapter was formed in 1960 and had the purpose of recognizing highly academic students. Since the Society was founded, there have been about 8 members inducted semiannually. In 1962, the ceremony took place in September, and in 1963, it took place in January before the entire student body. The advisors for the group are Mr. B. Rudolph and Mr. R. Cummings.

Sharon Lahman, Jean Current, Janice Bechstein, Jill Wentz, Gloris Creps, Linda Guyer, Kaye Rife.

Future Nurses of America

Miss Putnam, FNC advisor talks with Linda.

The Future Nurses Club of Otsego is a club organized for the girls who are interested in a career in nursing. The 1962-63 officers are as follows: President-Sharon Lahman; Secretary-Kaye Rife; and Treasurer-Jil Wentz.

Among the activities the club had during this last year was working at the Wood Co. Hospital after school and on week-ends. During this time their duties included passing food trays, getting fresh water, feeding patients, making up patient rooms and any other task they may be asked to do.

Throughout the year, the girls have visited various nursing schools, both in our area and some as far away as Lima. The girls also put on a skit at one of our pep rallies.

This year the Future Nurses received a F.N.C. pin of which they are very proud.

Homecoming

“62”

On the night of Nov. 9 many people came out to fill the bleachers at O.H.S. for the homecoming game between Eastwood and Otsego.

Arriving at the pre-game ceremonies as the band came on the field were homecoming attendents, Penny Kramp, Freshman; Cathy Wise, Sophomore. They were escorted by Ernie Bobel and Bruce Baty. Next came Diana Rife, Junior; Gloris Creps, Senior, and Millie Jo Johnson, 1961 H.C. Queen. Their escorts were Bill Morlock, Rollie Limes and Steve Mocniak.

At last, with the band playing at its height, Queen Becky Cox came onto the field. Our 1962 Queen was escorted by Dave Digby. Becky was presented her crown by 1961 Queen Millie Jo and the Queen and her court retired to the sidelines to watch the game.

This year the Knight Riter staff has tried to improve our paper in numerous ways. Under the direction and supervision of our advisor Mr. Henry, and co-editors Judy Kellermeier and Chuck Limes, the staff has tried to make the issues this year the best ever so that they could take pride and appreciation in them.

The final task for the newspaper staff was to put out a special edition of the paper, called the "Senior Special." This was especially for those seniors who are graduating.

The Juniors and Seniors with their dates danced to the music of The Mellow Notes, on May 11, at the annual Junior-Senior Prom. The Theme "Moon River" was very well carried out at the Otsego Shelter House where the dance was held. Blue and white crepe paper decorated the room with a rainbow and a fountain which the Juniors had specially gotten to honor the graduating Seniors.

During the evening the "Grand March" took place at which time a king and queen were chosen. The Queen selected was Sharon Lahman who was crowned by Marian Graham and the King was Dave Digby who was presented a tie tack by Marvin Rider. Sharon and Dave are both Seniors.

The evening was spent dancing till midnight when everyone was invited to go Bowling at Varsity Lanes in Bowling Green.

Football

The 1962 football team finished the season winning three and losing six. The knights showed a two-three record on the home field, a one-three record on the road, and a two-two record in league play to finish in third place in the San-Wood league.

The highlight of the season came in the next to final game of the year, when the young and inexperienced Knights showed a preview of things to come. In this game the Black and White over powered league rival Woodville 26-20, before a proud Dads-night crowd.

Outstanding player awards went to Bill Morlock for best offensive lineman, Bruce Baty for best defensive lineman, Trinidad Serrato for best defensive back. Otsego Knights were well represented on the all San-Wood with four gridmen on the offensive squad, David Digby halfback, Bruce Baty guard, Tom Asmus center, and Bill Morlock tackle, also four gridmen on the defensive squad, Allen James middle guard, Trinidad Serrato linebacker, Bruce Baty end, and David Digby safety. Receiving honorable mention were Tom Moore, Rollie Limes, and Bob Maxey.

Prospects for the 1963 season look good, as only six members of the squad will graduate. Sorely missed will be Captain David Digby, Bill Morlock, Bruce Baty, Rollie Limes, Steve Mocniak, and Ernie Bobel.

The Staff and team would like to commend the Cheerleaders, fans and Boosters for their tremendous support and following in the past football season.

Basketball

This year's varsity basketball team included 3 Seniors, 4 Juniors, and 5 Sophomores. This season started with a loss to Anthony Wayne, but things looked brighter when the Knights downed Fulton and St. Wendelin.

Another highlight of the season was the eight game winning streak which brought us into the tournament. The Knights then suffered a loss to Olney by a score of 51-50, which ended the basketball season.

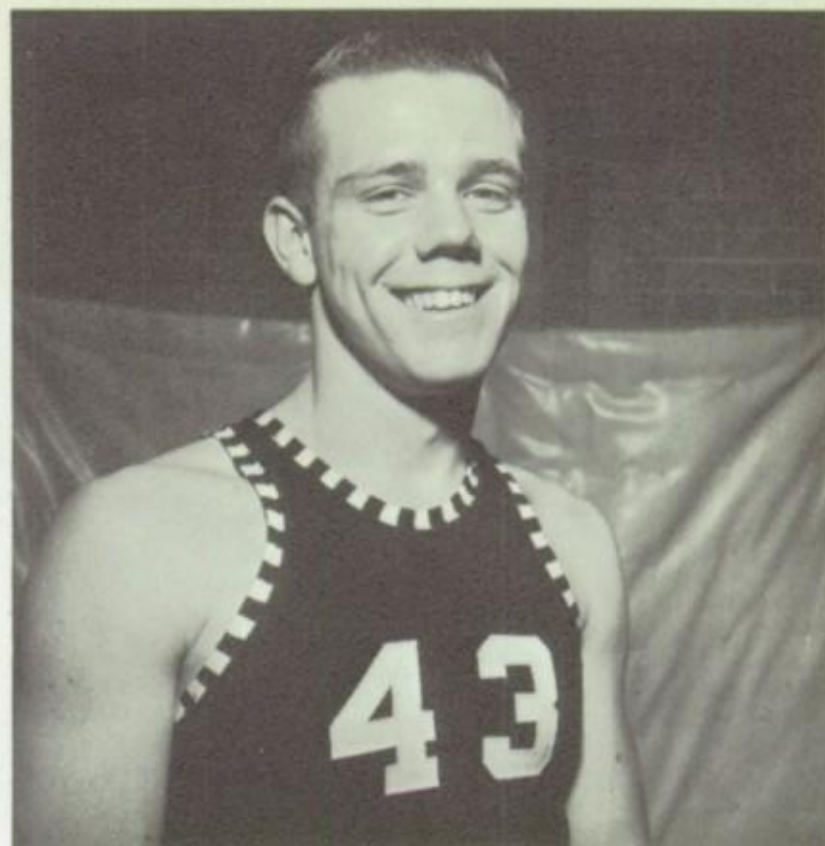

The coach stated that this was one of the best working groups he had ever coached. The Knights were undefeated on their home court. We all wish next years team the best of luck and sincerely hope that it will work as hard and go further than this years.

Basketball Coach, Mr. Smithey was coach of the year.
